Our quality laminate floors are...

- E1 Certified (Low Formaldehyde emissions.... 0,10ppm)
- CARB compliant (upon request)
- AC3 certified

Our floors will stand up to foot traffic and daily wear and tear throughout your home, from hallways to busy family rooms. It is also suitable for areas of light commercial use such as a small office.

- Installing a Symphony floor is a very simple installation project. The planks can be installed directly over most existing hard surface flooring or subfloors, and simply dropped into place. No nailing, stapling or gluing.
- Bevelled on 4 sides, Symphony floors reproducing the look of pre-varnish hardwood floors. Our floors are manufactured using the Valinge Innovations' licence using state of the art technology. We use the **second generation 2Gsystem** which allows our floors to be installed easily over most surfaces.
- Our floors can be installed below, on and above grade level.

Maintenance and Warranty

25 Year Residential / 5 Year Light Commercial Warranty

We guarantee that, for 25/5 year from the date of original purchase and installed properly in a dry residential indoor setting, your laminate floor:

- Will not stain from normal household.
- The melamine wear layer will not wear through.
- Will not fade in color due to normal natural sunlight or household lighting.
- Will resist water damage from normal household activities when removed promptly and when installed in accordance with provided installation instructions
